

ZEMITS VACUUM EXTRACTION

Vacuum Extraction with Zemits Verstand HD provides comfortable and deep pore cleansing, powered by adjustable vacuum suction through a clear glass tube. This allows us to remove sebum from pores and extract blackheads leaving skin visibly cleaner.

Benefits of Zemits Verstand HD Vacuum Extractor:

- Cleaner pores
- Fewer blackheads
- Improved blood and lymphatic circulation
- Reduced puffiness and oedema
- Toned jawline area
- Lifted eyebrows
